Brief History:- SMM was founded by Adv. Mrs. Smita Sharadchandra Parchure, who happened to be 1st lady advocate of Latur district and had worked as advocate since year 1976 to 1982 and thereafter was not practicing as advocate but dedicated herself for cause of poor women.

After the disastrous earthquake of year 1993, Mrs. Parchure and her like minded friends solemnly commenced activity to help affected women in distress and sensed to establish a trust to help needy women and their dependant children on permanent basis.

Thus SMM was established on 15th Feb. 1996.

SMM was formed with the aim of helping women in distress to provide shelter home & generate awareness in the issues of women & children and to provide shelter home for orphan girls below poverty line having one unable or none parent.

The Backbone of SMM's activities is based on doctrines like **Self Confidence, Swadhar, Independence, equality & respect for girls, women & culture.**

The Focus is clearly on development of the downtrodden women facing problems, orphan girls & children, disadvantaged section of poor people and marginalized rural/urban sector of communities helping them to help themselves.

There are many institutions devoted for specific social cause and aspects like HIV affected, Trafficked persons, Dumb & blinds, Leprosy, unemployed etc. However to specify in short **SMM** has concentrated on problems relating to (Domestic) women in distress & their dependant children &/or poor orphan girl children below poverty line.

Now **institution has entered 26th year wef 15th Feb. 2021 & is ready for larger noble work wef Silver Jubilee Year.**

MSME plans for the upcoming year

SMM desires to undertake LFPC –Latur food processing cluster programme under SFURTI scheme of MSME Govt of India and therefore successfully submitted online application on 31.12.2021 aimed to undertake scheme for 502 marginalized working women in self-help groups in Latur to manufacture, procure raw materials, store finished goods, handle packing + freight + transportation, how to market and sale the products, how to keep records and accounts etc.

Similarly SMM has undertaken agro project, drip irrigation, net shed, wormi-culture production, earthworm manure, jivamrut preparation, gopalan Kendra, fruits+ flowers+ agro production etc and ultimately to ensure better enhancement in agricultural production & natural farming, marketing and sustainable growth & how to run and use E rickshaw for transportation by women.

4) **Service Delivery Program** - This is based on activities, projects or accomplishments carried out by SMM in the last year. The general challenges faced by SMM are paucity of funds to undertake few projects that are aimed to be supported under CSR funding by suitable donor organization.

Particularly **last 3 years Grant-in-aid** is delayed/disturbed and not received timely and regularly from govt. causing lot of financial stringency hampering social noble cause and activities of the institution.

The Need or the Problem is to establish effective programme to make marginalized women from financially weaker section to become self supportive after due training. SMM enjoys all infrastructure needed to undertake such programme.

5) **Success Stories** - Nothing sounds better then someone narrating how the program benefited him/ her. Please go through success stories of beneficiaries that are displayed in SMM web contents under <http://www.swayamsiddha.in> Books published by the institution describes them in apt pic.

6) **Treasury Report** - **The budget** and/or the actual and major variances clarified in each category of income and expenditure.

Please go through donation proposals uploaded in our web contents that may be funded under CSR

What was not achieved and lessons learned and approach for the future:- SMM was not able to promote pro-active marketing efforts for its papad making and allied industrial activity. The lesson learned is to move in for TV advertising like ‘Patanjali’ group that may make the unit lead towards GRAND SUCCESS. SMM is approaching existing donors to help on this front.

Major future expenditures - this may be for SFURTI scheme as aforesaid

Independent Auditor's Report followed by Audited Financial Statements:- Audited financials are available and displayed in SMM web contents under <http://www.swayamsiddha.in>

7) **Acknowledgment of donors -**
